REMARKS

Claims 1-31 and 53-102 are pending in the present application. The Official Action mailed November 4, 2005 requires restriction to one of the following alleged inventions:

Group I, claims 1-31, drawn to a method for generating a data structure,
Group II, claims 53-73, drawn to a method of masking a file; and
Group III, claims 74-102, drawn to a method and system for business inquiry.

In response to the Official Action restriction requirement, Assignee hereby elects without traverse, Group I, claims 1-31, drawn to a method for generating a data structure, for prosecution in the pending application. Assignee reserves its rights to pursue Group II (claims 53-73) and Group III (claims 74-102) in a divisional or continuing patent application.

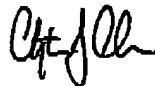

A Petition for Two-Month Extension of Time and fee have been concurrently filed with this response.
